NOTES AND PRECIS.

Dy.No.5533. S.N.(1).

1.

Post facto sanction may be accorded to the purchases already made by the Registrar of Comapnies.

S.N.34 (W). 2.
F.113-1918

Para 1 of the Resident's Proceedings No.7157, dated the 19th August 1926, authorises certain officers in the Civil and Military Station to incur expenditure under 'Contingencies', subject to the conditions that the allotment for contingencies under the budget heads under their control is not exceeded and subject to the provisions of the Civil Account Code and any other orders issued from time to time by the Crwon Representative or by the Resident and that the proposals involving recurring expenditure are submitted to Resident for orders. The Registrar of Comapnies is the controlling officer for the budget under Account IV - Other Expenditure Heads - J. Miscellaneous Departments - Registrar of Joint Stock Comapnies. Ordinarily a sum of Rs. 100/- is provided for contingencies under this head. There seems to be no objection to empower the Registrar of Companies to incur contingent expenditure on his own responsibility subject ot the usual conditions specified in the Proceedings referred to above. He already exercises this power as District and Sessions Judge and Registrar of Assurances.

Two drafts submitted for approval.
